PRINCIPAL'S CORNER

We're looking forward to a great day of skiing tomorrow. We have a number of students who have never skied before, and that's always exciting. Thanks in advance to the chaperones. One note: please make sure your students have warm gloves or mittens, and good (non-cotton) socks. Everyone has a better day when they are warm enough!

The Tuesday Afternoon Adventure Club, run by our Americorps members Lena and Jacob, has started, but there is room for a few more students in grades 3-6 if yours is interested.

The Blizzard Bags that went home last Wednesday are due back this Friday, Jan. 12th for grades K-6, and Tuesday, Jan. 16th for Preschool. We had 100% return last time, I bet we can reach that level again.

Next Friday, January 19th, is our next Community Pot Luck Dinner, followed by Movie Night! It's always a fun time, enjoying a great movie (Ratatouille!) with a group of friends, kids in pajamas, snacking on popcorn. Dinner is at 5:30pm, and the movie starts at 6:15pm. This way you can be home around 8:00pm. I hope you can join us.

We're already working on the budget process for next year, and if you have suggestions, please let me know.

This week's link is to a different kind of article, one that lists 24 things to do with kids during the winter. Enjoy!
