PRINCIPAL'S CORNER

Another great day of skiing yesterday. The conditions were great, and the weather wasn't too cold (unlike today!). So many students tried new trails, and are proud of their development as skiers. Thanks again to the chaperones and staff who make the day possible, and to the PTP for the financial support.

I hope you'll be able to join us for our Community Pot Luck, Movie Night, and Sleepover at the school on Friday, January 25th. More information will be coming soon. Should be a fun night!

Next week is a full week of school. The next early release Professional Learning Day is Wednesday, January 30th.

You should have received a link to a survey about your need for or interest in an after-school program at the school. Please fill it out when you have a chance.

January's School Committee meeting was postponed due to illness. The meeting is rescheduled to Wednesday, January 16th at 4:00pm.

I saw an article about kids and screen time. I thought you might find it **useful**: <https://www.cnn.com/2018/09/26/health/screen-time-cognition-study/index.html> (this link will also be in the Principal's Corner section of the school website)

PTP NEWS!!

POTLUCK, MOVIE AND SLEEPOVER !!

Come join the fun on Friday, January 25th at the school. Movie will be announced soon!

Valentine's Day Dance is in the works! Keep Friday, February 8th open and come join us for a party!

WINTER DRESS

Please be sure to come to school dressed for the weather. Students need to come prepared for a cold day outside. A hat, gloves or mittens, warm dry socks (preferably not cotton or short socks), a warm jacket, ski pants, and boots (when needed) enable your child to participate during outside activities.

If anyone has extra snow boots size 3 to 9, it would be great if you could donate them to the school! We are in low supply of those sizes.

NEWS FROM THE SCHOOL NURSE

We will start vision, hearing, postural and BMI screenings next week. If for some reason your child does not pass one of the screenings (BMI is not pass/fail), they will be re-screened approximately 2-3 weeks later and you will be notified if a referral may be needed. Please let me know if you have any questions or concerns.
